In my arms.

T/N: MY GOD XIAO-AN YOU LITTLE FLOOFBALL

I KNOW YOU WENT TO SEE LEI YUFENG. AND I ALSO KNOW HE WANTS TO STEAL YOU FROM ME.
YOU TWO KNOW EACH OTHER?
STEAL ME FROM YOU?
I DON'T KNOW WHY, WHEN WE WERE IN SCHOOL HE WAS ALWAYS SO HOSTILE TOWARDS ME.
EVEN NOW HE'S DISGUISED HIMSELF AS A DELIVERY BOY TO GET CLOSE TO YOU, OBVIOUSLY JUST TO MAKE LIFE DIFFICULT FOR ME.
TO THINK THAT I EVEN CONSIDERED HIM AS A FRIEND...
I'M SORRY.
IT'S NOT YOUR FAULT.
YOUR ASS IS OUTSTAND-ING.
...

↑ In the end he still slept over

Hi everyone!

Translator-san here. I've been laying off the notes at the end of each chapter for a while, but seeing the hubbub in the comments made me think I needed to step in. Apologies for not making this clear in the translation, here are some explanations.

The main concern by far is that many believe that there are missing chapters. I have double-triple-*quadruple* checked, and there are no missing chapters. The "choppy" storyline is because this is the writer Little White Cloud's first story, so it had a few holes here and there. Hopefully we can extend them some patience and understanding, as they're trying their best to improve!

Additionally, sorry to be the bearer of bad news, but this is the second-last chapter. While we're saddened by this and we think this ended a bit abruptly, they're a short happy chapter after this, and we'll be starting a new ***exciting*** project very soon!

Have a nice day! 😊

MINOR EXPLANATIONS:

- During Chapter 10, Xiao-An held his finger up in a 7 because in China, we have a unit of measurement that is measured in 10's. Hence when asked out of 100% how he felt about Song Kai, he held up a 7, as in 7 10's, or 70%.

- During Chapter 12, when Xiao-An had a "hickey", that was a simple bruise from regular delivery business (picking up and transporting boxes, etc).

- And no, they're not living together! Song Kai just imposes upon Xiao-An so they're usually at his house. (*^▽^*)

Hopefully that clears things up a little, feel free to ask more in the comments!
